

Thanks for all who proclaim the word and other commitments at our Masses and Liturgy. Please come 5 minutes early and check with other readers and ministers. After mass please close windows and doors and tidy seats, cards and hymn books. Readers please take home the copy of "Break Open the Word" when you are rostered as a reader. Ministers within the weekend mass are asked to please arrive a little earlier and help Father welcome everyone as they arrive. *Denotes the person who is taking up the Good News and 4th Sunday visit to the sick and cup of teas after mass. Owing to daily mass being held in Presbytery it has been decided that cleaning of the church only needs to be done on a fortnightly basis.
